### In addition, we have conducted:

- Information, awareness, and prevention campaigns for the general public, educational communities, law enforcement agencies, health, the media, and social services;
- The dissemination of the campaign "No one volunteers to be a slave", along with the short films "#Exit", "Isabella", and "Loveth";
- Studies and publications about human trafficking and sexual exploitation;
- Training activities with the Public Prosecutor's Office, social services, etc.;
- Cooperative projects and direct work with the victims' countries of origin;
- Political and social advocacy work to promote and protect the rights of human trafficking victims...

We thank you for your support, which allows us to work on behalf of victims of human trafficking and sexual exploitation, creating a fairer society for all people.
